

Apponagansett Farm CSA

2019 Sign-up Form

By signing this contract, I am choosing to become a member of Apponagansett Farm's 2019 summer CSA. I understand I will receive a share of the harvest, including the bumper crops and potential losses resulting from the beautiful yet fickle New England weather! I agree to pick up my share weekly at the time and location that I have selected or to make other arrangements in advance with the farmers for that week's share. I understand that there are no refunds or make-ups for weeks that I miss or am away (talk to the farmers about your options in these circumstances). I understand that there are no refunds if I choose to cancel my CSA membership (although you can transfer your share to someone else). I'm hungry for delicious, wholesome, local veggies. Sign me up!
